**RAILROAD TYCOON (Microprose)**

You are an entrepreneur in the early 1800s. You understand the changes that are sweeping the land. Factories are rising. The population is swelling. The nation clamors to move West. You see the opportunity for phenomenal wealth and power. You plan to seize it for yourself. Control four regions in America and Europe, each with its own economy, products and resources. Direct the action easily using a clear interface with concise pull-down menus. See the separate

parts of your empire operate together like clockwork in colourful, detailed animations. Hear the rich, distinctive sounds of business and industry in the 19th century. Railroad Tycoon is what you must become. A complex mix of strategy and detail that will entertain, educate and delight. A true Microprose classic. ■ IBM 5.25" & 3.5" (Dual) format.

**MIDWINTER (Rainbird)**

Midwinter is a deep and compelling strategy game, original in concept and revolutionary in design. A new Ice Age grips the world and along with fellow pioneers you live on the Midwinter Isle, the last habitable oasis on earth. A very real threat looms large as invaders attempt to seize your sanctuary. Fractal generated, fully light sourced 3D terrain. Vast playing area of 160,000 square miles: 32 interfacing characters, each with 14 personal attributes.

"Midwinter on the Amiga has got to be a contender for game of the year. It has everything you want. So much effort and research has gone into making Midwinter sparkle. You'd be mad to miss it." Midwinter is absolutely astonishing" 98% C+VG. ■ Amiga, Atari ST and IBM formats.

**PIPE MANIA (Entertainment International)**

"Pipe Mania is a classic puzzle arcade game that is so addictive it should have come with a Government Health Warning!" One wrong move, one brief hesitation or mis-placed pipe section, and you'll drown in a sea of slime" C+VG 94%.

■ Amiga, Atari, C64, Amstrad, and IBM.

"Buy this game and you'll never sleep again"

DRAGON'S LAIR II: ESCAPE FROM SINGE'S CASTLE (Bethesda)

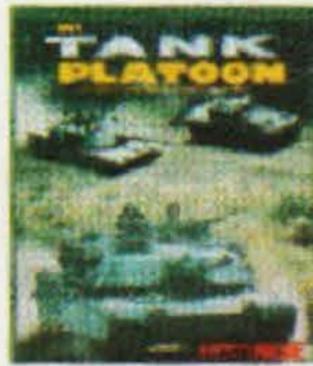

The adventure continues . . . The Evil Shapeshifter has stolen Princess Daphne and to save her you will have to outwit the Evil One in totally new encounters never before seen in the original Dragon's Lair. Escape from Singe's Castle introduces a new fast arrow with indicated play sequences with optional levels. Play it and see if the claim is true "never play the same game twice". "Dragon's Lair - Escape from Singe's Castle is a superb piece of software" Sydney Morning Herald.

■ Amiga format.

**M1 TANK PLATOON (Microprose)**

US Tank Platoons have four M1s. Four soldiers operate each. That's four tanks, sixteen men and you control the whole shooting match. Realistic Rolling Terrain: Hide your tanks behind hills and ridges. Flexible Command: Give orders to your entire platoon or to individual tanks. Leadership: Each of the 16 men in your platoon has his own personality and skills. Infinite Variety: Thousands of battlefields, millions of situations. Awesome High-Tech: Laser rangefinders, depleted uranium penetrators, wire guided missiles, reactive armor, air support and much more. "Microprose has surely excelled on this one . . . This one's going to take some beating" P.C. Leisure

■ IBM 5.25" & 3.5" dual format.

**KICK OFF 2 (Anco)**

Kick Off 2 greatly enhances the game play of Kick Off, winner of the GAME OF THE YEAR award in the UK. Kick Off will feature full size multi-directional scrolling pitch with the players, markings etc in correct proportion. Control hundreds of players, each with unique combination of attributes (Stamina-Pace etc) and skills (Passing, Shooting and Tackling etc). Instinctive Kick Off

tackles or scissor kicks. League and Cup competitions with extra time, injury time and sudden death penalty shoot out.

■ Available on all formats.

JUMPING JACKSON (Infogames)

In a deluge of colour and music, save the earth from sadness and melancholy! ROCK 'N' ROLL is dead! Classical music has taken control. Violins, contrabasses and conductors call the tune. If JJS frees the soul of ROCK 'N' ROLL contained in the first ROCK 45, the earth will be saved. So jump and jive into the action!!! "Jumping Jackson is a great game, with very jolly graphics . . . an arcade puzzle game that should go down well with anybody" 81% The One. ■ Amiga format.

**ESCAPE FROM THE PLANET OF ROBOT MONSTERS (Domark)**

Join the heroes on the surface of PLANET X where a rescue mission is in progress . . . An army of REPTILONS have enslaved the humans stationed there . . . They are being forced to create an evil Robot army destined to DESTROY EARTH!! "Escape From The Planet of Robot Monsters is slick, humorous, graphically brilliant and ultra-playable - miss it and you deserve to be fed to the Reptilions!! 94% C+VG.

■ Available on all formats.

**X-MEN (Medalist)**

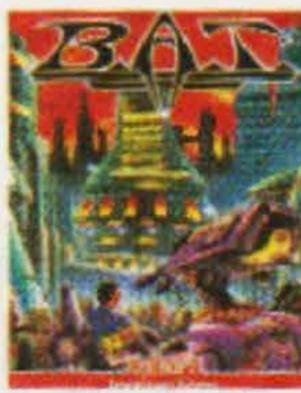

The X-Men are mutants with uncanny abilities that set them far apart from normal humans. Educated and trained by the famous Professor Xavier, himself a mutant with telepathic powers, the X-Men are the world's most unusual and elite crime-fighting force. Fight a whole army of genuine Marvel villains including Magneto, Arcade, Pyro, Nimrod, The Blob and Silver Samurai. Test your ingenuity and role-playing skills in your efforts to find the pieces to a device that can stop Magneto: Over 500 different action and combat screens: An original X-Men comic book, produced by Marvel is

available only in this game and details the events leading up to the rescue mission. ■ C64 Disk and IBM Dual formats.

B.A.T. (UBI Soft)**Bureau of Astral Troubleshooters**

Earth. Twenty second Century. The Multi-nationals have grown dramatically in power. The government has banished the industrial leaders from the planet to settle in Selenia which contains the vital energy matter Khogol. Back on Earth a new Government, The Galaxy Confederation, has gained power and established a good trading relationship with Selenia. The first task of the confederation was

to set up a top secret organisation, B.A.T. whose mission is to maintain peace throughout the galaxy. ■ Available on all formats.

KLAX (Domark)**The Tic Tac Tile Game**

It's simple in concept and easy to play. Catch the coloured tiles with the paddle and flip them into bins to make same coloured stacks and rows of three - horizontal lines, vertical stacks or diagonal steps. Sounds easy? It is up to a point. The catch comes when the tiles start rolling down the screen faster than you can pick them up, when the number of colours increase, lengthening the odds of getting the right colours when you need them and

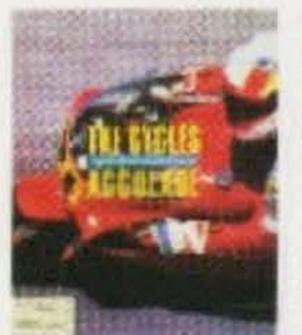

when the bins fill up and you can't empty them." Good, solid, fast-moving mega-addictive gameplay . . . nothing to criticise about!" The Games Machine. ■ Available on all formats.

**CHASE HQ (Ocean)**

Hailed by overseas critics as 'the' arcade conversion of 1989, all you need to do to play Chase HQ is put your foot down and GO!! Behind the wheel of your turbo-charged Porsche 928s, listen to the instructions from Nancy at HQ, then chase and apprehend the baddies on behalf of the forces of law and order. Swerve your way through highways, tunnels and traffic barriers - if you can reach the villain within 60 seconds, you earn yourself a further 60

seconds to ram and apprehend them. Chase HQ is challenging and heaps of fun - it's pure and simple racing all the way. First rate sound effects, fantastic graphics - what are you waiting for!!! ■ Amiga, C64, Amstrad

**CYCLES INT'L GRAND PRIX (Accolade)**

Prix riders! This is the only racing simulation game with excellent first person perspective! ■ Amiga, C64, IBM, Apple

**CRACKDOWN (U.S. Gold)**

Crackdown is a one or two player challenge game, offering simultaneous two player multi screen action. Dr K has created an army of biogenetically engineered humanoids with whom he plans to crush all opposition as he conquers the world.

Only you can help secret agents Andy Attacker and Ben Breaker to penetrate Dr K's fortress and terminate him. This full screen playing area offers a

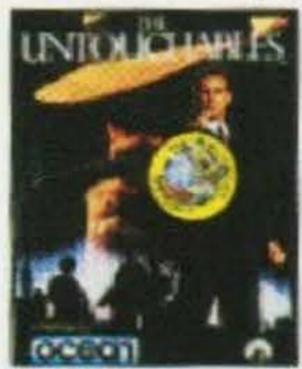

maze of tunnels, passage ways, collapsing floors and bridges across 16 different levels!! ■ Amiga, C64, Atari, Amstrad

**E-MOTION (U.S. Gold)**

E-Motion is a completely new type of challenge, set in the world of atoms, molecules and particles. You control a single sphere, spinning and floating through a kaleidoscope of moving puzzles, multi-coloured orbs and pulsating energy - 50 levels in all!

E-Motion encourages you to evaluate, to think, to plan, and then to move with precision. But everything moves at your pace, at your touch, under your

control. The packaging features a superb colour rendition of Einstein and E-Motion will provide even the most experienced player with many hours of absorbing gameplay! ■ Amiga, C64, Amstrad, IBM, Atari

**THE UNTOUCHABLES (Ocean)**

The Untouchables is one of the largest and most ambitious projects ever undertaken in the history of software entertainment! Five exciting, original and diverse arcade-style sections put you in control of Elliot Ness' elite squad of Mafia-busters. The Warehouse Bust, the Border Raid, the Alleyway Shootouts, the Railway Station Confrontation and the Final Rooftop Duel enables you to re-live the knife-edge existence

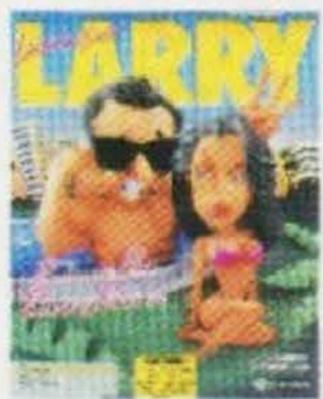

of Elliot Ness, as you crusade through 1920's Chicago in search of Capone's retribution. Take on the Mob and you can lead the Untouchables on their most exciting and difficult mission! ■ Amiga, C64, IBM

**LOOM (Lucasfilm Games)**

Long after the passing of the Second shadow, when dragons ruled the twilight sky and the stars were bright and many, began the Age of the Great Guilds. These vast city-states were dedicated to the total control of knowledge and they ruled the world with both pride... and fear.

The Weavers were one such Guild... but an unknown power swept them into oblivion and now, only one Weaver boy is left to unravel the mystery

of their disappearance and to save the world from terrible catastrophe. Revolutionary interface. Special features including a 3D environment. Outstanding graphics and sound! ■ Amiga, IBM, Atari

**LEISURE SUIT LARRY III (Sierra)**

Larry's at it again!! Everyone's favourite pervert is the feature character in this humorous 3D graphics adventure series. With games I and II being phenomenally successful already, Leisure Suit Larry III promises to follow the same success. Leisure Suit Larry III holds many exciting adult twists, which will keep you on the edge of your seat for hours on end!!

■ Amiga, IBM, Atari

**F29 RETALIATOR (Ocean)**
